Beloved Children of My Heart:

It is My particular joy, this Holy Season, to offer the pages of My Bulletin to that earnest devotee of the Ascended Master Jesus, John, the Beloved, Whose Words are here presented for your Spiritual edification.

Love and Blessings
MAHA CHOHAN

are closed to pass through a Solar System? Certainly, you can enter into the Realm of Helios and Vesta with safety; that is a Dispensation which has been granted, but even an Ascended Being or a Cosmic Being rising out of this Galaxy beyond Alpha and Omega on Cosmic Mission bent where the currents are so POWERFUL that even Our Beloved Maha Chohan cannot cognize form, there goes The Ascended Master Jesus if there is requirement and there go We hanging on, as usual, to the Spiritual Mantle of His Love, praying to God that We will be enabled to bring Him back into this System.

A most fearless Man, My Master, and a most loving One; a most kindly Master yet a most strict One, as We Who lived close with Him knew. He had certain definite principles which He lived. He did not ask anyone to live up to them, but when you love enough and you wish to stay in the aura of One you love, those principles become your own, Thus I was vested, through proximity to the Personage of the unascended Jesus, with His illumined faith and convicition in the Power of the Almighty God - the power to hold to that which is true and good; the power to transcend evil and forgive sin. The greatest gift He gave to My humble self was His Own Blessed Mother. She was the most beautiful Being, even in the unascended state, Who stood alone with Me on Golgotha's Hill and, after the three hours of waiting with Him He said 'Son, behold Thy Mother; Mother, behold Thy Son.' I, deep in My heart, though I did not express My feelings for Lady Mary's sake, knelt before My Master, sheltering Her in My cloak, taking Her safely to Bethany for the period while We Two waited in the utter conviction and the absolute knowledge that Life Immortal is stronger than so-called death and that all the human appearances and the evils of that day could not destroy Him.

Mary prayed a lot that Saturday, prayed, yea on bended knee, that Jesus should be able to resuscitate His physical vehicle through the help of the Resurrection Flame of the great Serapis, Maha Chohan, Gabriel and Hope so there would be a first Easter morn. It was only fitting that He came to Her first as He did with the stigmata and it was only fitting that after thirty-three years of the most powerful Love Divine that Her eyes should fill with tears when She saw that He had accomplished His Mission on Earth. It was only fitting They had the privacy of those moments before the Glory of the Resurrection Morn, when to make a little tapestry out of a Cosmic Event the tomb was bursted and the Risen Jesus, clothed as a gardener, walked out and spoke to Mary of Magdala. It was only fitting that they have this Saturday before the Sunday when the cheered up disciples said and felt 'oh, fine, He made it' began to come to new life. During that period from Easter Sunday until Pentecost He walked and talked with them, convincing them all by wearing yet the stigmata on His Hands, His Feet and Side and the marks upon His Brow, so that people like unto Thomas might know that they had not substituted another being for Him. In that day there was a practice, malpractice you would call it, of many of the Sanhedrin, the Pharisees, the Persians, the Egyptians when an individual could not resuscitate a form, they chose another individual as much alike in color, contour, size and general appearance to represent them. Then they went through this crucifixion or the entombment in the sarcophagus, Actually they didn't come out of the experience Victoriously at all but they entered into the Sleepers' Realm and said 'oh, boy, I'm glad it's done' and some other soul came out seemingly victorious to give courage to the brotherhood and the disciples. (A deceptive practice.)

Jesus did not stoop tp deception. He told His Mother and Myself that if it were not possible of accomplishment through His Own Physical vehicle that They should lay Him in Arimathaea's garden and consider that He had not fulfilled His Mission. Arimathaea, a little late of course, among the rich and wealthy, offered only the tomb. So often it goes in the world of form, but you are offering your Light, the substance and energy of your worlds NOW, even as Jesus did and is still doing. When you have made the change called death and have entered the Realm in which We abide, there will be those who will sanctify you because you are safely 'over there'. Beloved ones, be safe HERE first, and then you qualify to be safe 'Over There'. What is 'Over There', you wonder! Harps and songs and celestial bliss with Masters Whom you love; visits

with friends and loved ones. Yes, but 'Over There', there are a lot of things not so constructive. Jesus descended into Hell, the very depths of Hell, to count the life-streams that required redemption and passed through the Purgatory so vividly described by Dante! before He qualified in Himself to go into that Realm of Ascended Beings to become part of the Celestial Court. This He did even before He met His Mother and gave Her reassurance as well as My humble Self that He was victorious. This was His private Pact with God Almighty!

You are each one destined to become Christs, but please don't start delving into the 'Over There' because unless you take your Ascended Master Sponsor with you, you might find a cross-current that will carry you in the wrong direction. You might not just get through to Pelleur's Kingdom, No! You might get caught in the cross-current beneath the Earth's surface and see a little of the psychic realm, bringing that back into your brain structure and your physical body is a shattering experience, I know. I was One of the brave ones after Jesus Ascension. I tried it and it took Me months with the assistance of the Holy Mother Mary to free Myself of the sights that I saw 'Over There'. Be sensible and balanced and safe, and in the Name of the Ascended Jesus Christ when you go some place at night there are enough Ascended Master Retreats open to you; there are enough Ascended Beings waiting for you, set your compass of your attention before your body sleeps on something Higher than you are and ask your Ascended Master Sponsor for the month to take you there and bring you safely back, charged with the beauty and perfection of that Higher Realm; rather than returning with a sense of depression which comes through experimentation, innocent oft-times, with the 'unknown'.

You have been told often that even Lord Michael the great Archangel of Illumined Faith wears cap, visor, shield and gloves when He goes into those realms where there are souls who require assistance. Lord Michael knows, God bless Him, the power, subtle and apparent, of the vampire activities that have not yet been fully removed from the Earth. Oh, We're transmuting the cause and core, beloved ones, of all humanly created entities, all human tendencies, qualities and desires but We do require a little assistance from some unascended beings down here, who MEAN IT as much as they mean to get their next breath. You just try, if you want to, to close your nostrils and your mouth, and see how the body elemental fights for its breath, just ordinary breath, not prana, these vampire activities and human entities, as well as many disembodied souls who will not enter the Halls of Karma are large as continents, some of them, and they require a constant call for transmutation by the Violet Fire -- That is Our reason for being, that is one of Our reasons for persuading you here and wherever We have the privilege to speak with you of Our Reality, of Our knowledge, particularly Those of Us Who walked the Earth, like The Ascended Masters El Morya, Serapis, Mary, Jesus and Myself, of both the pitfalls and the exaltations that can be your own.

Now a wise man (I am using a parable type description like Jesus) seeing an open pit before him, does not blithely step into it and let the earth close over him. No. He walks around it and he does more; He is practical and he thinks of somebody else who does not see so well who might fall into that pit and he gathers available stones or wood and covers the pit to protect others who might follow the same pathway. He goes on his way and keeps still his lips, still all sense of false pride, yes even though a hundred men may walk in safety over that pit covered by the wise and alert chela, he never gives cognizance that were it not for his own alertness their bodies would be buried deep, broken and torn beyond repair.

When you serve with the Great White Brotherhood, of course, you start training your own four lower vehicles first. You are the conductor of the energies of Love and Light and naturally your own four vehicles have to be in a semblance of order so that you may help someone else BUT when you get such order and ask for it to be sustained by Grace, remember there are ten billiom souls, a lot of them who do not even

know that they don't belong to this Planetary Scheme who will be walking after you. So don't leave one pitfall of which you are cognizant into which they unwittingly in their desire to serve life might fall; one misinterpretation of a word, a sentence, which they might utilize as license instead of freedom, for this is a Pact between Heaven and Earth made by you and your Maker. We speak God's words and the words of Truth and those words find homes in your hearts, even as the homing pigeons, that the beloved Maha Chohan loves so much, find home at Ceylon.

As One of My brothers' keepers, ever humble, so humble that God the Father chose Me to love Beloved Jesus Free, I join now with Mother Mary and the Ascended Master Jesus in loving you Free, in the Name of My Master, Jesus."

The Sponsors from the Resurrection Temple during this thirty day period (April 15th through May 14th, 1960) are lovely Ascended Ladies, clothed in Mary Blue, gracious and dignified, Who will help you to resurrect NOW the glory you had with the Father before this world was" Thank you and God bless you".

BELOVED EL MORYA speaks: Holy Thursday, April 14th. 1960 (Ashram)

"Beloved friends of Light and Love Eternal, I, like unto Beloved Serapis Bey am called a strict Task-Master. It is that very Will and desire for you to accelerate the vibratory action of your four lower vehicles so that you shall quickly find your way back Home which is Our Love in Our Hearts directed to you and through you for one purpose, your God Freedom!

Here We have a stone, one of the few which remains of Tara's Halls where long since both you and I served our Lord together. That 'Harp that once through Tara's Halls, its song of music sped, now lies as mute on Tara's walls as though its soul had fled.' Why? Because, except for Myself, everyone of you and others dear to My Heart got tired of the Harp of Tara, got tired of the Spiritual Law, and went happily down the by-ways of life seeking self-satisfaction through the senses.

I tell you that Harp shall ring again and around It shall be gathered not only in Heaven, but right here on Earth, the faithful who have learned that the high-ways and by-ways in the pursuit of happiness lead into nothingness leaving disillusion-ment of soul, etheric memories of imperfection, mental confusions and emotional chaos! Almighty God, it has taken All the Sons and Daughters of Heaven these past seven years to untangle, not once, but every day, the chaos in your four lower bodies. Every single day during each twenty-four hour period I take the time to go over those bodies, and remove the emotional, the mental, etheric and physical chaos of one twenty-four hour period. Isn't that love? Methinks when you consider it deeply it is, for love to many of you is an ephemeral thing, consisting of the kiss, the em-brace, the handshake. Beloved ones, the love that the Great White Brotherhood from Our Regent, Sanat Kumara, down to My humble Self for you is so great that the foreswearing of Nirvana is nothing in comparison to the redemption of each and every-one of you, all four-footed creatures, all animal life, all imprisoned Angels, every living thing, and this Earth that We love.

I walked the ways of Earth not too long since. I knew the love of beauty and I knew the trials of flesh. Because "I AM" called the Preceptor of God's Will, from which many men shrink in heart though not in intellect, you think I do not love beauty. Ah, beauty and order are Heaven's first law and in My home at Darjeeling there is and shall remain <u>always</u> both beauty and order. Disorder is no part of My Nature or that of My particular Brotherhood. Disorder of person or disorder of surroundings is the externialization of the human nature of disordered mind,feelings, the etheric consciousness or just physical laziness. I repeat to you, as I have many times, if you invite Me or any Divine Being to a Feast for God's sake leave a place of honor (uncluttered) for Us.

In your own realm, in your own life, you will find that when you bring order and beauty into your world, you will progress more happily; for order and beauty bring grace, and that grace brings to you perceptions that you never knew you had and those perceptions externalized make you God-men, women and children in action here on Earth. We know that there are times, naturally during the course of your work-a-day world when you become a little dishevelled through the use of the various media of your magnificent service but this can be rectified in the matter of moments and those moments can be spent in what --- in <u>invoking</u> the Will of God for man, woman and child on this Earth, <u>invoking</u> the Will of God to make His Kingdom manifest now, <u>invoking</u> the Will of God for this Sweet Earth and Its redemption NOW; <u>invoking</u> the straightening of the Axis of this Earth, the preparation for a Class wherein the Ascended Master Serapis Bey and Myself should not have to supply all the energies required to be of world wide blessing throughout the entire United States of America and across the great Oceans into Europe, Asia, Africa, Australia and encircling the planet round in Love! NOW, I <u>INSIST</u> AND <u>COMMAND</u> BY THE POWER OF ALMIGHTY GOD that you, individually, who have had the privilege of My company, wanted or not, do something about making this Earth Freedom's Holy Star.... and I NEVER TAKE A 'NO' FOR AN ANSWER! It is not My Nature; I'm a terrifically persistent Fellow, so persistent that I've followed you all, some of you, into the compound and dragged you out literally by the hair, or out of the Sleepers Realm where you were enjoying a fine respite, and have literally SHOVED you through the Board of Karma and <u>begged</u> Mother Mary on bended knee to give you your embodiment <u>today</u> when there are two others who could have taken embodiment, making Them stay in Heaven's Realms, just so that YOU COULD, because I knew that you had it in you, help the Ascended Master Saint Germain bring the Earth Home.

<u>I didn't do this for any other reason but that because in that persistence and constancy</u> of service you shall have your individual Freedom, the Earth shall have Her Freedom, Saint Germain shall have His Utopia, and the Ascended Host shall have an Open Door through this vehicle, through which to convince you again, again and again that We are Real Beings. <u>COME OUT OF THE TOMB OF SELFISHNESS INTO THE LIGHT OF THE NEW DAY FOR IT IS HERE! SO - I have spoken!</u>

Welcome to Darjeeling for the gentle side of My Nature.

VOL-9-#5½

BELOVED MOTHER MARY speaks: --3-- Good Friday (Ashram) April 15, 1960.

= = = =

I have a large congregation but it is joy, for what I have done for One gives the confidence in the feelings and then you can do it for many. Your feeling world and Mine, as well as that of My Son Jesus and Saint Germain, while We were all unascended, were connected with that of all unascended mankind. You individually cannot cognize the desperation of the outer feelings of some ten billion lifestreams utilizing the Sweet Earth, as often as they are offered an opportunity to embody, as often as El Morya will allow Me to provide for them a physical vehicle.

Beloved! Do not allow depressive feelings which are looking for a home because they are a vampire activity which requires energy to live, to enter into your feelings! Anchor your feeling world into Mine, if you desire or into any Ascended Beings world and draw from Them the feelings of illumined buoyancy, confidence, faith and God conviction that ALL IS WELL AND SHALL BE BETTER.

Blessed, beloved ones, I come to plead the Cause of a Mother for sleeping children. You are in a COSMIC MOMENT - a moment when Our beloved Saint Germain desires to make of Earth Freedom's Holy Star, to straighten the axis of this Earth, to help each and everyone of you before your Ascension to experience some of the ecstasy of consciously serving with the Great White Brotherhood instead of a feeling of drudgery which so often impregnates your service to life.

MY PETITION TO MY CHILDREN FROM A LOVING MOTHER OF ALL, a Mother Who made your heart and bodies, Who knows you, Who loves you and has loved you through all the years and embodiments while you pursued the by-passes of the senses is that you consciously accept the God Concept for yourself, the planet which has been your Hostess, and all that live, in through and about It; a Mother Who is strict enough to hold the Immaculate Concept for you - shining, brilliant blazing Light, even though you in the outer consciousness are not yet willing to become the "Children of Mary".

BELOVED ASCENDED MASTER JESUS speaks: Easter Sunday (Ashram) April 17, 1960.

six months, visitation with your loved ones, if you choose it. Most of you shall be so busy exploring the beauty of the green gardens and the glorious flame flowers of the Kingdom of Heaven that you might take twenty-four hours of rest but, methinks, you will then be off again as I was about Our Father's Business.

What is the Business of The Heavenly Father? The Business of the Heavenly Father is practical! It is the establishment of a Christ man, a Christ woman and a Christ child through every human being belonging to this planet Earth - some three and a half billion who are in embodiment and the rest waiting for an opportunity of taking embodiment. That is why I came to the Earth; that is why in My humble way I endeavored to show mankind that the things that I had done, they, too, should do also! Even My blessed disciples learned to lean on Form and by leaning upon My Personage My Own Ascension, forty days after Ascension morning, was essential, so that they might learn, through themselves, and through the beloved Paraclete (Whom you know as the Holy Spirit) that those so-called miracles are part of The Father's Heritage anchored in each one of them and in each one of you.

So often Peter and James and the others would go bravely forth to heal and come back and say 'Master' it did not work.' Again and again I said unto them 'Go again and in the Name of Jesus command the evil to cease to be!' But those greater than I saw that while they had in Me, something physically tangible to hold onto, they would hold the Hem of My Garment and their own potential Divinity would lie buried within them whilst they held admiration for the Son on Man and the Son of God.

You are all Sons and daughters of God; sons of men and women too, yes, true but you have been sons and daughters of different men and women in embodiment after enbodiment throughout ages of time. All the time since first you left the Heart of Our Father you have been a temporary Son or Daughter of God, even though you have forgotten it.

When Pilate said to Me 'they say that you are reported to be the Son of God' I replied to him 'thou sayest this', letting come forth from his own lips the truth which could have as easily come from Mine Own,' Mine was the self chosen path of the crucifixion, the path to Golgotha, the path of The Resurrection, the path to the Visit to Bethany, the path to the Public Ascension. Think on it! If you loved someone as deeply as I loved My Mother and John and Peter and Paul and the other diciples who still maintained free will as unascended beings, even resuscitated, could you leave them sleeping and walk in the Springtime up that Hill of Bethany with the early Spring flowers and the sweet smell of Earth, and voluntarily say again, as I did in Gethsemane's garden 'Father, Thy will not Mine be done.' Later I waited for the coming of the noonday Sun, seeing the fear and the confusion in the consciousness of many of My followers and the deep love in the hearts of John and Mother, I allowed the gravity pull of Earth to be released from My Feet and made The Ascension! Why? So that I might make a public Ascension before some five hundred people and meet My Father, leaving to His Wisdom, the care of My disciples and apostles and the Truth which a baby could read, some babies read well because they have not yet become cynical. When they read 'consider the lillies of the field, they toil not, neither do they spin. Ah, but Solomon in all his glory was not clothed in more beauty than these.' Children believe it and accept it and for them it is done and they are clothed and fed until they become about six or seven years of age. Then they realize that they are in a harsh, hard world full of unreality and that somebody besides The Father in Heaven is being the channel which provides for them. Then that beautiful innocence is often transplanted by the arrogance of the adolescent years.

People come again only to God, as a rule when their four lower vehicles are absolutely beyond repair and when medical science has confirmed that the vehicles which they use shall soon disintegrate. Then they think 'oh Lord, oh Lord, for all the misuse of Thy Life I'm sorry; I am regretful indeed; please receive me into Heaven,' after maybe eighty years of living according to the human will. Even that

prayer is heard and it is answered and every such soul with a <u>contrite heart</u> who asks for the forgiveness of his sins or that of a loved one who is about to depart is absolved thereof and can see their loved ones and dwell in the Heavenly Realms, although not in the Realms of the Ascended Host of Light.

All of life, beloved ones, is God and as you have given so freely and beautifully of your energy during this Easter Class, beloved El Morya has already secured permission from the Karmic Board to hold the Summer Class of 1960.

My love, that of The Ascended Master Saint Germain, and My Holy Mother Mary abide with you <u>now</u> and <u>always</u>. A Blessed Easter Tide be yours."
